

# Full Arch Growth Accelerator Case Study

Full Arch Growth Accelerator is an intensive 6-12 week program to train your team in marketing, operations, and sales so you can start closing full-arch cases like never before. Here's how joining the program helped one practice owner grow.

## 30 Days Of Full-Arch Growth

### Practice:

Manhattan Beach Dental Solutions.

### Owner:

Dr. Don Mungcal, 33 years in practice.

### Baseline:

Prior to joining Full Arch Growth Accelerator, Dr. Mungcal had done 3 full-arch cases in the past 5 years. However, he wanted to invest in growing his full-arch practice but needed to make sure he and his team were prepared to convert and close all his new full-arch leads.

## Results Over The First Month

### WEEK 1

Started Full Arch Growth Accelerator.

### WEEK 3

Closed a \$12,000 single overdenture.

### WEEK 2

Began implementing lessons.

### WEEK 4

Closed a \$56,000 double All-on-X.

### Consult Show Rate

Increased to 50% from less than 10%.

### Total Treatment Generated

3 total arches worth \$68,000.

### ROI

\$4.53 to \$1 after 30 days.
